

Our President 2013 - 14

Friends and Colleagues,
I am looking forward to the challenge of leading the Club. I am glad to be appointed as President of RCC Midtown, it's a great feeling. At the very outset, I congratulate Directors and various committees' team members for accepting the challenges for implementing annual Goals of the Club. As you all are aware, RI Theme for the Year 2013-14 is Engage Rotary, Change Lives. In July 2013 with the launch of The Rotary Foundation's new grant model, Future Vision makes it an exciting time to be a Rotarian I am sure that you all are now well prepared. I am deeply grateful to my predecessor, Rtn. Brij Chatrath for his leadership and outstanding contributions to Rotary during his presidency along with the Executive Committee members and Board of 2012-13. In order to take our Club's services forward, we must make sure that every single Midtowner has the same feeling about Rotary. We need to make sure that every Midtowner has a meaningful role to play, that they're all making a contribution, and that their contributions are valued.

My wife Kiran has always been a great source of energy & encouragement for me. She now assures me her total support in the coming year. I am also confident that all Board members, Directors, Committee members and midtowners will do their best to fulfill & exceed annual goals of all the projects. Rotary provide us the opportunity to meet the basic needs of others to provide Health Care, Sanitation, Food & Education when and where it is most needed. It also helps to meet the inner needs as well, for connection, caring and friendship in its most traditional sense. I am very confident that our club will receive full support and co-operation from very dynamic and dedicated Rotarian, DG Rtn. Rajani Mukerji and his team of District 3291.

As Rotarians, we contribute our skills, expertise & financial support to help our communities to meet critical needs. You are the "FIRST CLASS" my dear Rotarians and will be Engaging more effectively to do more, to be more in the Club's Project so as to use the power of Rotary service to Change Lives of the needy people of the society.

May I once again request your wholehearted support.

With warm regards,
Dr. Swinder K Kapoor
